PROFESSIONAL EXPERIENCE:

- 8/2010 – 9/2015 Mid Atlantic Kaiser Permanente, Mid Atlantic Medical Physicians Group
General diagnostic radiologist with competencies in fluoroscopy, ultrasound, CR/DR, body and neurologic imaging, including CT and MRI. Also, provided significant in-house after-hours coverage for the evening, overnight, and weekend shifts, including teleradiology for ten urgent care locations with immediate interpretation for critical care patients.
- 8/2009 – 8/2010 Contract Radiologist, Loudoun Imaging Center, Ashburn, VA
Solo practitioner responsible for ensuring excellent patient care in Fluoroscopy, Mammography, CR, Densitometry, CT, US, including personal patient consultations for every OB ultrasound, and Diagnostic Mammogram with immediate interpretation turnaround, and public relations with referring clinicians.
- 8/2007 – 7/2009 Locums Radiologist, Associate, Roanoke, VA
Helped staffing shortages at various hospitals; walked into new systems and procedures with ease, often in solo practices; dealt with various staff, technologists, and patients with comfort while providing seamless coverage; associate credentials at Carilion Healthcare System.
- 7/2005 – 6/2007 Chief of the Department of Radiology, DeWitt Army Community Hospital, Fort Belvoir, VA,
Updated equipment and DINPACs stations; managed personnel and staffing issues; improved quality controls, peer review; recaptured lost workload; served as DACH Radiology consultant for BRAC; maintained second largest workload while fulfilling administrative and military obligations.
- 7/2003 – 6/2005 Staff Radiologist/Chief of Ultrasound, Womack Army Medical Center, Fort Bragg, NC,
Performed as staff radiologist while supervising nine US technologists, US policy and equipment.
- 7/1999 – 6/2003 Chief, Department of Radiology and Chief of Body Imaging, Reynolds Army Community Hospital, Fort Sill, OK
Chief of the Department of Radiology and Nuclear Medicine, administrative oversight for 47 personnel, including 4 radiologists; hospital MQSA officer, Radiation Protection Safety Officer Program and accountable for RACH nuclear license.
